# Camphill Hollywood

- ▶ What does Camphill Hollywood do?
- ▶ Camphill Community Hollywood was born out of an intention to **build community together** and provide **opportunities** to adults in a holistic, supportive environment. Co-workers work together with people with adults with learning disabilities and other needs in our workshops and within our residential care houses.
- ▶ Our **integrated workplaces**, in Hollywood, provide spaces in which people can learn new skills, develop existing skills. Together we participate in an endeavour that combines the worlds of **retail, hospitality and commerce with a supportive social, cultural and educational experience**.
- ▶ The workshops also provide a space in which **awareness of global and environmental issues** such as **promoting rights**, the benefits of healthy living, responsible consumerism, wholefood, vegetarian and alternative lifestyles.
- ▶ Because we are public-facing, we are able to engage with the local community in Hollywood and Belfast showcasing Camphill life and the talents **and abilities of those in our community in an honest and meaningful way.**
