What are your interests/hobbies?

Due to the nature of many roles in the community and because Camphill Holywood is regulated by an external body, we assess the suitability of applicants for many roles in the community by conducting Access NI/police checks. If your role requires an Access NI check, this will have been stated on the job/volunteer advertisement or accompanying material.

Have you ever been convicted of any criminal offence/do you have any convictions pending? *(If you answer yes to this question you will be asked to complete a Disclosure of Convictions form - having a criminal record will not necessarily prevent an applicant from obtaining the role. For more information, please request a copy of the Recruitment of Ex Offenders Policy.)*

For many roles in the community Camphill Hollywood requests an Access NI check to be conducted in order to assess suitability of applicants for the role. Having a criminal record does not necessarily prevent an applicant from obtaining a role in the community, for more information please request our Recruitment of Ex-Offenders policy.

Data Protection Act 1998/GDPR

The information provided by you in support of your application will be subject to the Data Protection Act 1998 and in line with GDPR requirements. Camphill Hollywood will hold this information for the purpose of processing your application, for processing and verifying Access NI checks where required and, if you are successful in obtaining a position with us, for our staff records. All information will be treated in the strictest confidence.

Camphill Community Hollywood welcomes application forms from people with disabilities and is committed to promoting equal opportunities for all roles in our Community (employment or volunteering) for people with a disability who meet the essential requisites for a post/role. It is recognised that disabled people are not only those whose disability is immediately apparent (e.g. people who are registered blind or those in wheelchairs) but also those whose disability is not immediately obvious (e.g. mental illness, diabetes etc.).
